EVENT PROFILE

This two-day event takes place in the Fall of 2009 and consists of a conference and table top exhibition. A conference program divided into tracks based upon various UV & EB technologies will also be developed. Both the table top exhibition and conference program will focus on the user of adhesive, ink, composite, and coating technologies.

TABLE TOP EXHIBIT SPECIFICATIONS

Each table top consists of an eight foot, skirted table and chair.

TABLE TOP EXHIBIT FEES

\$995.00 for RadTech Members
\$1495.00 for Non-Members

EXHIBIT FEE INCLUDES

- 1—Eight Foot Skirted Table
- Complete attendee list with company and address following the show
- Company listing in Official Show Directory and on Show website
- Free link to your company website from the Show website
- 1—Complimentary Full Conference Registration
